He couldn't see any reason why travel shouldn't come free on Chiron, just like everything else, and wondered what kinds of connections could be made from Port Norday to the more remote reaches of the planet. Interesting. The easiest way to check it out would probably be to ask any Chironian computer, since nobody on Chiron seemed to have many secrets about anything..Sirocco looked back at the orders and resumed, "The advance guard will fan out to form two files, of ten men each, aligned at an angle of forty-five degrees off either side of the access lock and take up station behind their respective section leaders. Officer in command of the guard detail will remain two paces to the left of the lock exit. Upon completion of the opening formalities, the guard will be relieved by a detail from B Company who will position themselves at the exit ramp, and will proceed through the Kuan-Yin. to post sentry details at the locations specified in Schedule A, attached. The sentry details will remain posted until relieved or given further orders. Are there any questions so far?".In the rear passenger lounge of the shuttle being prepared for lift-off in Bay 5 at Canaveral base, Veronica sat nursing a large martini and quietly studying the pattern of activity around her and her escorts. It was just about at its peak, with passengers boarding at a steady rate and flight crew moving fore and aft continually. But most of the faces bad not yet had time to register. The matron had evidently not considered it part of her duties to assist in packing or carrying anything, but had maintained her distance."I don't like the idea of a limited military presence down there," Borfein said. "We're trusting the Chironians too much. I still say they could have strength that they're not showing yet. We could be exposing those civilians to all kinds of risks--terrorism, provocations. What if they get hit by surprise? I've seen it all before..collections of victims' teeth at bedside for nostalgic examination will evidently pull over without hesitation."We get them," Nanook agreed. "But not a lot. People usually get to learn very early on what's acceptable and what isn't. They've all got eyes, ears, and brains..the stink of the carpet into a taste that made her gag..baked earth still radiated stored heat. Besides, the air wasn't vibrating with the hum of an angry swarm..Colman found himself facing a big man wielding a baseball bat, his face twisted and ugly, mirroring the mindlessness that had taken possession of the rioters. The man swung the bat viciously but clumsily. Colman rode the blow easily with his shield and jabbed with the tip of his baton at the kidney area exposed below the ribcage. His assailant staggered back with a scream of pain. Shouts, profanities, and the sounds of bodies clashing rose all around Colman. Something hard bounced off his helmet. Two youths rushed him from different directions, one waving a stick, the other a chain. Colman jumped to the side to bring the two in line for a split second's cover, fainted with his baton, then sent the first cannoning into the second with a shove from his shield with the full weight of his shoulder behind it, and both rioters went down into a heap. Colman glimpsed something hitting Young in the side of the face, but two grappling figures momentarily obscured his view, and then Young was lying on the ground. As a fat youth swung his foot for a kick, Colman dropped him with a blow to the head. When bloodcurdling yells and the sound of running feet heralded the arrival of the SDs, the mob raggedly fled around the corner, and it was all over.. "Sweetie, you're a victim, you've nothing to be ashamed about..The preacher seemed taken aback for a split second, but recovered quickly. "The world around us," he bellowed, throwing his arms wide.
